State Immunization Program

Coalition Strategies and Activities

Strategies

Leadership team—We have a great core team of dedicated individuals/organizations who have been actively working on their individual HPV efforts that are very interested in seeing a statewide collaboration form for HPV efforts in NE.

Activities

- Public Education
- Patient Education
- Professional Education/Outreach
- Working with Underserved Populations
- Working with Insurers
- Legislative Advocacy
- Promoting Quality Improvement

Proudest Accomplishments

- Collaborative work with NE AAP Chapter in 2016 on HPV QI Project utilizing peer-to-peer education & reminder/recall with Lincoln based pediatric clinic—30.85% increase in HPV vaccine initiation of 11-12 y/o's between Jan 2016-Aug 2016
- Numerous HPV Vaccination conference presentations & webinars conducted in 2016 by various partners including AHEC, ACS, Creighton University, Nebraska Cancer Coalition, Immunize Nebraska Task Force of Metro Omaha, and many others!
